

Olfa SK-6 Flex Guard Safety Knife

The Flex-Guard safety knife features an automatic protection system that eliminates blade exposure, keeping hands safe from cuts and lacerations. The built-in safety guard is activated once the cut begins and cannot be overridden, even when the blade slider is engaged. Optimal for safety cutting cartons, packing materials, paper, and single- double- and triple wall corrugate without damaging the contents inside.

- High Impact, easy grip handle.
- Top blade slider for convenience.
- Rounded tip safety blade that helps prevent puncture related injuries.
- Easy and safe blade replacement.
- For right or left-handed use.

SK-6 Flex Guard Safety Knife Item # SC-SK-6 \$11.59ea.

Olfa SK-7 Compact Safety Cutter

Handy-sized safety cutter features a spring-loaded blade that self-retracts the instant it loses contact with cutting surface. This lightweight cutter fits any size hand and is designed for right or left handed use.

SK-7 Compact Safety Knife Item # SC-SK-7 \$6.99ea.

Olfa SK-8 Auto Retracting Safety Knife

This specially designed heavy duty safety cutter features a spring-loaded blade that automatically retracts the instant it loses contact with the material being cut, even when the blade slider is engaged. This feature cannot be overridden. The SK-8 safely cuts cartons, packages, corrugated boxes and more.

SK-8 Auto Retracting Safety Knife Item # SC-SK-8 \$13.99ea.

OLO Safety Carton Cutter Leather Holster

Prevent injuries while opening cartons with this revolutionary double protection system that keeps the blade shielded even during use. Unique and adjustable positioning of the blade assures the carton is cut, not the merchandise.

- Features also include: Anti-slip, cushion grip handle
- Large blade slider for easy use.
- Metal tip for extra durability.
- Easy and safe blade replacement.
- For right or left-handed use.

OLO Safety Carton Cutter Item # SC-OLO \$25.85ea.
